

A colorful illustration of a man with a beard and brown hair, shirtless and wearing blue jeans, sitting on a bed in a cabin. He is applying a white bandage to his right arm. The cabin is cluttered with various medical supplies, including boxes of pills, bottles, syringes, and a stethoscope. In the background, there is a window with green curtains, a basket of red apples, and a bookshelf. The overall scene suggests a medical emergency or a first aid kit on board a ship.
